

COUGAR CROSS COUNTRY & TRACK

ADDITIONAL CONTRIBUTION TO THE PROGRAM

Additional contributions to the Campolindo cross country and track team Associated Student Body account are important for helping to cover long-term expenses like major equipment replacement and facility upgrades.

Previous contributions to this fund have allowed our programs to install a Tuff Shed storage structure (\$23,000.00), purchase a Finish Lynx timing system (\$18,000.00), build a track-side weight room (\$30,000.00), finance new team uniforms (\$15,000.00), and acquire vital equipment like a track blower (\$3,000.00), a generator (\$3,500.00), a PA system (\$6,000.00), and all-weather pop-up tents (\$1,200.00 each).

While the season team contribution made through the Campolindo web store covers seasonal expenses like meet entry fees, bus transportation, awards, web hosting, timing services and coach stipends, additional contributions are vital in helping to ensure that Campolindo continue to provide the best possible competitive opportunities for its athletes.

Please consider making an additional contribution to this vital fund.

We greatly appreciate your consideration.

Please make your check out to CAMPOLINDO HIGH SCHOOL and deliver it, along with the bottom of this form, to Coach Chuck Woolridge.
